

# Bennett Middle School

Fort Morgan, CO

**PROJECT:** Bennett Middle School

**LOCATION:** Fort Morgan, CO

**ARCHITECT:** Hollis and Miller Architects,  
Castle Rock, CO

**GENERAL CONTRACTOR:** Fransen Pittman General  
Contractors

## DESCRIPTION

This 25,000 s.f. school utilizes custom orange accent panels at all four corners of the building. 3' overhangs are used at all four walls with long span soffit panels. An integrated metal building entry canopy is employed for a simple, yet functional entrance.
